HELEN OF THE WEST INDIES

The tug-of-war between the French and the British for St. Lucia – which led to the Caribbean nation changing hands a record 14 times – is testament to this island's spectacular beauty. St. Lucia offers a pristine landscape which appeals to both nature and adventure lovers, with its coastal charms and luxurious resorts and marinas making it the newest playground for the rich and famous.

- The soaring peaks of the Piton Mountains are one of St. Lucia's most striking attractions and a UNESCO World Heritage Site.
- Hewanorra International Airport was used as a US military airfield during World War II. Today it is well connected to the US, UK, Canada, Europe and other Caribbean islands.
- The Jacquot or St. Lucia parrot can only be found on the island and is a proud symbol of St Lucia's rich and unique bio-diversity.
- Infrastructure development, a stable political landscape and a well-educated workforce have attracted increased levels of foreign investment in recent years.

WHY ST. LUCIA?

St. Lucia's Citizenship By Investment Program is the newest program to be launched in the Caribbean region. The program became operational in January 2016 and is regulated by the Citizenship by Investment Act No 14 passed in 2015.

Benefits of Obtaining St. Lucia Citizenship

- A speedy and straightforward application process.
- Visa free access to more than 125 countries including Hong Kong, the UK and the Schengen States.
- St. Lucia does not require you to renounce your current citizenship, allowing you to hold dual citizenship.
- No residency requirement before or during the application process or after granting citizenship.
- Applicants can process spouse and additional dependents (dependent children below 25 years and dependent parents/grandparents over 65 years) as part of a single application.
- The local currency, the Eastern Caribbean Dollar, is pegged to the US dollar, giving you and your business financial benefits and security.
- St. Lucia is a member of the Caribbean Community (CARICOM), offering the benefit of freedom of movement and employment (for skilled nationals) and Duty Free trading within the 15 Caribbean nations and dependencies.
- St Lucia is a member of the United Nations and Commonwealth of Nations.
- No taxation on worldwide income.
